I am available 2 pm or later for a call to discuss. I am working from home today. You can reach me at (b) (6) for the call. I am also attaching a link to good discussion of the NPL regulation and definition of site. That issue might come up for our call this afternoon.

Barbara,

Stephen Tzhone has asked that the legal counsel get together to discuss EPA's proposed edits to Section 2.1 (Site History) of the draft RI/FS work plan and attempt to reach an agreement on the changes. In order to meet the deadline for submission of our comments, we need to schedule the call for tomorrow. Please let us know when you are available to discuss this. I am available prior to 9:30 am CT and after 1:00 pm CT. tomorrow. John/Sonja, please let us know your availability as well.

Thanks. Al
